Rowenta Instant Comfort Compact Fan Heater
Rowenta Instant Comfort Compact Fan Heater
S02321F2

Silent and instant heat

The Instant Comfort Compact Space Heater quickly heats the area around you and saves space in your bedroom, living room or storage unit. Its silent eco setting provides maximum comfort without disturbance, while a cooling fan option makes for a practical device all year long.

PRODUCT BENEFITS

Silent

Enjoy powerful heat without being disturbed thanks to the ECO silence setting at only 44 dB(A). Get warm while studying, watching TV or even sleeping.

Low power consumption

Eco mode (1000 W) for moderate heating and up to 50% energy savings*. *vs. maximum setting

Adjustable Temperature & Power

Two heating power settings: the ECO silence setting for long hours of use or the max setting for a moment of fast heat. Ideal for a 30 m2 room*. *In recently constructed, insulated room, compliant with standard RT2012

Instant heat

Instant and direct heat for your maximum comfort. Quickly heat up your room evenly thanks to the blowing fan.

Easy to carry and store

Take your heater anywhere, thanks to the convenient handle. Plus, its compact size can be easily stored away without taking up much space.

Cool fan

Designed for year-round usage, this heater comes with a cool fan option. Select it for personal refreshment or to ventilate small areas.
